

# A day in the life of a quarryman

## Think about what it must have been like to work as a quarryman on the Black Mountain.

You could write about.....

- The long hours you have to work
- How difficult the work is
- Accidents at the quarry
- Catching rabbits for your food
- How important lime is to you
- Staying in a keepers cottage
- How the weather is at the top of the mountain

Use these words in your account:
